## Winter 2018: Glass Art courses timetable

Time & date	Course	Cost
<p><b><u>Two-day weekend</u></b>            Sat: 10.30am-4.00pm            Sun: 10.30am-4.00pm</p> <p><b>27<sup>th</sup> and 28<sup>th</sup> January 2018</b>  <u>OR</u>  <b>17<sup>th</sup> and 18<sup>th</sup> February 2018</b></p>	<p><b><u>Stained Glass for Beginners</u></b>            During this two-day, weekend course students learn about the techniques involved in making a stained glass panel. You will be taught how to cut glass, lead and solder, whilst using a variety of coloured glass. By the end of the course you will have produced a small leaded panel to take home.            Materials included. Workshop limited to 4 people.</p>	<p><b>£195.00</b></p>
<p><b><u>Saturday one day Workshop</u></b>            10am – 4.00pm</p> <p><b>20<sup>th</sup> January 2018</b>  <u>OR</u>  <b>10<sup>th</sup> February 2018</b></p>	<p><b><u>Introduction to Copper Foiling - Workshop</u></b>            The Copper foiling technique, developed in the Tiffany Studios in the 1890s, is ideal for decorative panels, sun catchers and mirrors as well as lampshades and other dimensional work. Copper tape and solder are used to create a seam joining the pieces of glass.            In this introductory workshop learn how to make a decorative sun-catcher using the copper-foiling technique. You will learn to cut glass safely and competently, grind glass, copper foil and how to solder, using a variety of coloured and textured glass. At the end of the workshop you will produce a small decorative sun-catcher to take home. Materials included.</p>	<p><b>£55.00</b></p>
<p><b><u>Starting Monday 5<sup>th</sup> February 2018</u></b>            6pm – 9pm.</p> <p>Nine sessions running until 16<sup>th</sup> April 2018</p> <p>Running concurrently with a week break on 19<sup>th</sup> February for Half term and a 2<sup>nd</sup> April break for EASTER Monday.</p>	<p><b><u>Evening Class in Stained glass</u></b>            Suitable for both beginners and those looking to refresh their skills. Students will be able to create their own stained glass panel projects guided by the tutor. Whether you are interested in experimenting with a variety of techniques, or repairing that old panel in your cellar, or designing your own panel, you will be guided through this process.</p> <ul style="list-style-type: none"> <li>• Limited to 4 students, so students have quality time with tutor during the course.</li> <li>• The cost of materials is not included and will be priced separately. These costs can vary depending on the size of the project and the choice of glass. It is possible to spend as little or as much as you decide.</li> <li>• I have to limit the size of each person's project roughly to 45cm x 60cm. If you are thinking about making or restoring a larger panel, please contact me before you book.</li> </ul>	<p><b>£270.00</b></p>
